

Lovibond® Colour Measurement Tintometer® Group

ASTM Color - EC3000

Part Number: 135079

Conformance filters are assigned a nominal value and the company always endeavours to match this value as closely as possible. On occasion, because of the unique manner of the glass making process, it may not be possible to match the requested values exactly. The values achieved and the performance tolerances expected will, of course, always be reported.

ASTM Color - EC3000

A single glass filter for checking the EC3000 instrument in ASTM scale.

Technical Data

Glass Standard Values	- 1.1
Filters	1

Delivery Scope

- Filter
- Certificate of Conformity
